Specifications

Type	Smartstream G1.5 gasoline	Kappa 1.4T-GDi gasoline	U2 1.5 VGT diesel
Engine type	4 Cylinders, 16 Valves, HLA	4 Cylinders, 16 Valves, HLA	4 Cylinders, 16 Valves, HLA
Displacement (cc)	1,497	1,353	1,493
Max. Power (ps / rpm)	115 / 6,000	140 / 6,000	115 / 4,000
Max. Torque (kgf·m / rpm)	14.7 / 4,500	24.7 / 1,500~3,200	25.5 / 1,500~2,750
Brakes			
Front	16" DISC		
Rear	9" Drum / 14" Disc		
Suspension			
Front	MacPherson strut		
Rear	Coupled Torsion Beam Axle		
Tire			
205/65 R16, 215/60 R17			

Dimensions			
Head room (mm)	Front (w/Sunroof) / Rear (w/Sunroof)	1,017 (980) / 985	
Leg room (mm)	Front / Rear	1,051 / 973	
Shoulder room (mm)	Front / Rear	1,404 / 1,380

Unit : mm \* Wheel tread • 16" Alloy wheel (Front / Rear) : 1,571.5 / 1,575.9

# Dare to be different.

Masculine and modern with a difference: That’s the CRETA style. CRETA's jewel-like headlamps, its outsized grille and other bold details dare to be different and push the boundaries of design. From every angle, CRETA radiates supreme confidence and driving excitement, a feeling that intensifies when you push the start button.

**Bose premium sound system**  
The Bose name is one of the most respected among audiophiles. This 8-speaker option, professionally tuned to match CRETA's cabin acoustics, delivers a concert hall sound experience.

# Stay well connected.

Goodbye analog, hello digital: The optional 7” Supervision instrument cluster displays richly detailed information with razor-sharp clarity and in vivid colors. The optional 8” display audio comes with Apple CarPlay™ and Android Auto™ support and voice command capability. With Bluetooth pairing it mirrors your smartphone’s navigation app and will also let you stream audio.

**Supervision cluster**  
**Panoramic sunroof**

**8” display audio**  
**60:40 split-folding rear seat**

Aero-sculpted front end with signature cascading grille

LED headlamps with LED DRLs  
17” diamond-cut alloy wheels

LED rear combination lamps

# Powerful and efficient.

Powerful and responsive, CRETA's highly evolved powertrains make driving a pure joy. Gasoline engines feature weight saving all-aluminium construction for better fuel economy and they come with Dual Overhead Camshafts (DOHC) plus Dual Variable Valve Timing for improved performance. Gearbox options have been expanded to include a 7-speed Dual Clutch Transmission which delivers lightning-fast shifting and the all-new Intelligent Variable Transmission.

<b>Smartstream G1.5 gasoline</b> 6-Speed MT / IVT	<b>Kappa 1.4T-GDi gasoline</b> 7-Speed DCT	<b>U2 1.5 VGT diesel</b> 6-Speed MT / AT
<b>115</b> Maximum Power ps/6,300 rpm	<b>140</b> Maximum Power ps/6,000 rpm	<b>115</b> Maximum Power ps/4,000 rpm
<b>14.7</b> Maximum Torque kgf-m/4,500 rpm	<b>24.7</b> Maximum Torque kgf-m/1,500~3,200 rpm	<b>25.5</b> Maximum Torque kgf-m/1,500~2,750 rpm

**Traction Control Mode**  
By regulating slip control for the right/left wheels while adjusting engine torque and gear shift patterns, the new Traction Control Mode automatically fine tunes CRETA's front wheel drive system to adapt to difficult driving conditions. Optional.

- SNOW** When the roads are icy and snow-covered, this setting ensures optimal traction to keep you moving safely and confidently.
- MUD** When tires fail to grip because of mud, this setting automatically applies the correct amount of torque to the left and right wheels to reduce slippage.
- SAND** Driving over sand poses special challenges but selecting the Sand setting minimizes wheel slip to keep you out of trouble.

Drive Mode Select (Comfort, Sport, Eco)

# Big and small helpers.

In big and small ways, CRETA helps you drive safer. The first line of protection is provided by CRETA's body structure which is made with advanced ultra-high tensile-strength steel to give it exceptional crash resistance. Dual front airbags and an Anti-Locking Braking system are part of the standard safety equipment package but if you need more, the list of optional safety features is extensive.

**6-airbag system (Driver, Passenger, Side & Curtain)**  
Standard front row protection includes a pair of depowered airbags but is upgradeable to include thorax protection (front only) and curtain airbags that shield first and second row occupants.

**Hillstart Assist Control**  
When starting from a stop on a hill, HAC prevents the unintentional rollback that can occur after the brake pedal is released. Optional.

**Rear Parking Sensors with Rear view camera**  
The camera lets you see everything when backing up and if you're too close, the distance sensors will trigger an alarm. Optional.

**Rear disc brakes**  
Braking performance improves dramatically with 14" solid discs in the rear. Up front, 16" ventilated discs are standard.

**Rear view camera with guidelines**  
Parking is a lot easier with this option: Colored lines on the rear view display help you align the vehicle with the target parking spot.

# Features

16" steel covers

16" alloy wheels

17" alloy wheels

17" alloy wheels (C Type)

Halogen projection headlamps

LED MFR headlamps & LED DRLs

Puddle lamps

LED rear combination lamps

Cascading grille

Dark chrome grille (Turbo Only)

Front fog lamps (MFR)

Twin-tip exhaust (Turbo only)

Standard audio with 3.8" LCD

Full automatic temperature controls

Electric Parking Brake with Auto Hold

Ventilated front seats

LED personal lamps (Panoramic sunroof only)

6:4-split rear seats with 2-stage recliner

Wireless smartphone charging system

Manual rear door curtain
