STARIA

Step into the Space.

Prepare to embark on a new journey into the revolutionary space of STARIA, where you will travel in maximum comfort, enjoy the pleasure of face-to-face conversation, and spend life-enriching moments. In this space, the possibilities are as unlimited as the different lifestyles of its owners. It's one small step for STARIA and one giant leap into the future of MPV mobility.

STARIA Premium

STARIA Premium stirs up the winds of change to open a new chapter in MPV driving. Inspired by the concept of a luxurious modern lounge, the futuristic styling commands instant attention. The lounge idea is fully realized the moment you step inside the multi-open space cabin, where you are greeted by a wonderful feeling of openness and smart technologies that make daily driving a lot easier.

Design in a new direction.

For a clean break with the past, STARIA designers adopted the one curve gesture to advance MPV design in an entirely new direction. Radiating simplicity and high-tech elegance, the futuristic silhouette provides clues to STARIA's cutting-edge technologies that make driving safer, more comfortable, and more convenient than ever before. STARIA Premium does more than establish a new design aesthetic: it redefines the luxury MPV segment to stand in a class of its own.

Full LED headlamps / Tinted brass chrome

Parametric pixel lights (LED rear combination lamp) / Tinted brass chrome

18" tinted brass alloy wheels

64-color ambient mood lamp

Whether you prefer an ambiance that is soft and gentle or lively and exciting, or somewhere in between, the shades of the mood lamp are user-customizable to suit personal preferences.

7

Seater

Upgrade to executive class with the luxuriously appointed 7-seater, and the miles will just fly by. The Premium relaxation seats are designed to relieve the pressure points of a conventional seat, so you feel as if you're seated in your favorite recliner in your living room.

Premium relaxation seat (one-touch relaxation mode)

At the touch of a button, the Premium relaxation seat redistributes your bodyweight to make you feel like you're floating in the air and it cares for you in all weather conditions with its 3-stage heating and ventilation functions. The 2-way backrest, 2-way seat cushion and 4-way legrest are individually adjustable to suit personal preferences.

9

Seater

The exceptionally versatile Premium 9-seater will have you looking forward to the fun of the next road trip. The perfect choice for large families comes with swiveling independent seats, a long sliding adjustment function, and loads of other comforts and convenience features that magically shrink long distances and make time fly by.

Swiveling independent seat

STARIA Premium's flexible seating multiplies the fun factor, especially when traveling with children on long-distance trips. The 2nd-row swiveling independent seat rotates 180° degrees to allow face-to-face conversation among rear seat passengers and 90° to promote easier entry and egress.

Convenience at its best.

Crafted for peak comfort and convenience, STARIA Premium gets it right by surrounding you with a variety of smart features that provide unexpected delight. The sliding door and tailgate open and close automatically on your approach and departure. Long sliding seats provide an extra measure of flexibility for reconfiguring the cabin space while the BOSE premium sound system transforms STARIA Premium into a concert hall on wheels.

Smart power sliding door
No hands, no button pressing required. The smart door senses your presence and slides open automatically (as long as the smart key is on your person).

Long sliding seats*
Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

* Premium 9-seater, 11-seater (wagon) only

Smart power tailgate (with auto-close function)
If you can't reach into your pocket for your smart key because your hands are full, STARIA's smart power tailgate does all the work for you by automatically opening as you approach the vehicle and automatically closing as you walk away.

BOSE premium sound system (Premium option)
Bose speakers create a truly immersive sound experience and include dynamic speed compensation to automatically calibrate speaker volume according to your driving speed.

STARIA (Wagon)

The iconic good looks of the STARIA (Wagon) are just half the story. Just step inside to discover the rest: every cabin detail has been reimagined to make driving life easier, safer, and more fun. Innovating inside and out: that's the sign of authentic design leadership.

In a class of its own.

From the moment you first lay eyes on STARIA, you know it stands in a class of its own. It's not imitative or derivative but a truly original creation—the product of inspired design. Inside, you're greeted by a spacious, wide-open cabin that flourishes with premium touches like the digital gauge cluster and elegant materials that feel so soft to the touch and are always easy on the eyes.

LED headlamps

Parametric pixel lights (LED rear combination lamp)

9

Seater

Every inch of the well-designed 9-seater makes optimal use of cabin space so that everyone on board is assured of living room comfort. For enhanced safety, all 9 seats are equipped with adjustable headrests and 3-point seat belts.

Panoramic window

Lowering the beltline brings more light into the cabin and creates a feeling of openness. Add a panoramic window and enjoy a great view of the world passing by.

Pleasant space with plenty of headroom

STARIA offers a high ceiling and abundant headroom for a relaxed, wide-open feeling. The step height has been lowered for easier access.

11 Seater

The STARIA 11-seater offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone happy during the trip.

Full flat seats

Folding the backrests of the 2nd-, 3rd-, and 4th-rows into the flat position increases the load space to 2,468mm so you can carry oversized items, extra luggage, or enjoy overnight camping if you like.

* The 11-seaters' 3rd-row center space is empty. Caution is advised when using the full flat feature.

Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. With the smart key or the smartphone app, STARIA's sliding doors open and close automatically. There's an abundance of storage space, and nice-to-have convenience features like the AVNT that serves as a surround-view monitor while parking or as a rear-view monitor to let you keep an eye on traffic behind you.

Smart power sliding door

Upon sensing the presence of the proximity key, the smart door automatically slides itself open after a pre-set interval—a very convenient feature when your hands are full.

Long sliding seats*

Increasing the range of the to-and-fro motion of the rear seat makes it easy to create extra luggage space and helps passengers get in and out more easily.

* Premium 9-seater, 11-seater (wagon) only

Smart power tailgate (with auto-close function)

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any driver input whatsoever.

Surround View Monitor

Surround View Monitor displays video of the situation around the vehicle for safe parking.

STARIA (Van)

Spacious and smart, the STARIA (Van) provides everything you need to get the job done efficiently, safely, and in style. You get loads of room for your cargo and a well-appointed cabin that provides an oasis of comfort and relaxation for you and your crew.

3

Seater

Offering 4,935ℓ of luggage space*, the 3-seater combines maximum cargo-hauling capacity with uncompromising levels of comfort and convenience.

* (VDA standard)

3-Seater passenger space

The multi-purpose design includes a foldable center storage console that makes room for a third passenger when raised. Seat side bolsters and adjustable center armrests provide excellent support and comfort.

The above image shows 1,200X800mm Euro pallets.

Spacious cargo area

STARIA's cargo space is impressive and highly flexible: load your cargo quickly and easily through the 870mm-wide sliding door or through the tailgate.

Twin swing doors

Seconds matter when you're on a busy run, so you'll appreciate the versatility and time-saving advantages of the twin swing doors option. Open just one door on the required side or open both, as the occasion demands, and you'll be in and out in no time, shaving valuable seconds off of each stop. We have reduced the ground-to-floor distance to 573mm to make lifting a little easier and lengthened the cargo bed to 1,705mm so you never have to leave anything behind.

5/6

Seater

The 5/6-seater is ready to handle the toughest jobs while providing an exceptional level of comfort and flexibility for you and your crew. Its 1.6m-long cargo bed improves your efficiency by allowing you to carry more per trip.

5-Seater passenger space

Rear headroom, legroom, and shoulder room have been maximized to balance the needs for peak passenger comfort and optimal cargo space. The backrest angle of the rear seats has been increased to 21° for a more relaxed seating position.

Smart power tailgate (Van standard)

The smart power tailgate senses the proximity key and automatically opens and closes the tailgate without requiring any additional driver inputs. This hands-free feature is handy when carrying an armful.

The space to grow your business.

Impressively spacious and equipped with flexible design features like twin swing doors that speed up loading and unloading, the STARIA (Van) is the ideal partner for tradesmen and pro drivers who demand maximum efficiency. With its 2.5m-long cargo bed, the 3-seater van always seems to be hungry for more cargo. And to ensure you are equipped with the perfect tool for the job, there is a choice of seating and body style configurations.

Twin swing doors (optional)

Passenger / cargo space bulkhead

5/6-seater window van cargo space

Powerful and safe.

Whether you choose the diesel or gasoline engine, the 6-speed manual or 8-speed automatic gearbox, STARIA's new and more efficient powertrains unleash powerful performance and a rush of endorphins. When the roads are slippery due to poor weather conditions, HTRAC all-wheel drive delivers maximum traction to all four wheels so you can keep moving ahead safely. Standard safety equipment includes 3-point seatbelts, headrests, and the latest airbag technologies to keep everyone aboard well-protected.

Smartstream G3.5

272 Maximum Power
ps/6,400 rpm

33.8 Maximum Torque
kg-m/5,000 rpm

2.2 CRDi Diesel

177 Maximum Power
ps/3,800 rpm

44.0 Maximum Torque
kg-m/1,500~2,500 rpm

HTRAC all-wheel drive

Whether you're driving in snow, in rain or over unpaved roads, HTRAC ensures that all four wheels are providing maximum traction at all times. And for those special times when you want power distribution to be evenly split between the front and rear axles, just press 4WD Lock.

3-point seatbelts / 6 airbags

3-point seatbelts and adjustable headrests are now standard for all seats. 1st-row supplemental restraints include 2 front and 2 side airbags, while twin grand curtain airbags protect rear-row occupants.

Hyundai SmartSense

Forward Collision-Avoidance Assist (FCA)

If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer left turns.

Lane Keeping Assist (LKA)

A front view camera detects lane markers and road edges helping prevent unintentional lane departures. When the vehicle strays from its lane (or road), the system sets off a visual and sound alarm and automatically steer the vehicle to prevent it from moving out of its lane (or road).

Blind-Spot Collision-Avoidance Assist (BCA)

When operating the turn signal switch to change lanes, if there is a risk of collision with a rear side vehicle, the system provides a warning. After the warning, if the risk of collision increases, the function automatically controls the vehicle to help avoid a collision. If exiting a parallel parking spot and there is a risk of collision with a rear side vehicle, the function automatically assists with emergency braking.

Safe Exit Assist (SEA)

When the occupant opens the door to exit the vehicle after a stop, if an approaching vehicle from the rear side is detected, the function provides a warning. The function also helps keep the rear door closed through operation of the power sliding door.

Smart Cruise Control (SCC)

Smart Cruise Control helps maintain distance from the vehicle ahead and drive at a speed, set by the driver.

Lane Following Assist (LFA)

A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

RCCA warns of the approach of a vehicle across the rearward path when reversing and, if necessary, emergency braking is applied.
