# ACCENT

# The wait is over

The wait is over: The new Accent has arrived with a bold, new design and exciting features. One of Hyundai's most popular and successful models has been completely redesigned, bringing it into the digital age with fascinating additions like the horizon LED lamps. To keep you well-connected, the new Accent comes equipped with an 8-inch multimedia control system that seamlessly interfaces with your smartphone, multiple USB recharging ports, and much more.

# Boldly different

In a world of lookalike sedans, the new Accent stands out with its distinctive horizon lamp—a unique lighting signature that sets it apart on the road. The black chrome parametric grille and striking alloy wheels add the perfect finishing touches.

Horizontal LED lamp / LED headlamps (Multi MFR) / Black chrome parametric grille

Outside mirrors and turn signal indicators

LED rear combination lamps

**60/40 split-folding rear seats**

Fold down the rear seat backrests to create more cargo space. Standard adjustable headrests and a child seat anchor are provided.

# A step ahead

Step into the new Accent and experience a cutting-edge look and feel. The sleek lines, textures, and color combinations offer pure sensory delight.

The new Accent embraces the digital era with sharp digital displays, delivering a wealth of useful information.

Discover delightful surprises like an 8-inch multimedia control system and ambient mood lamps.

Integrated display audio system and digital instrument cluster

Dual automatic temperature controls

Wireless phone charger / Front C-type charger

# Sporty performance

The new Accent's engines offer powerful performance when needed. The 1.5-liter gasoline engine boasts a superior power-to-weight ratio with its all-aluminum construction.

### 1.5 MPI Gasoline engine

115 Maximum Power  
ps/6,300 rpm

14.7 Maximum Torque  
kgf-m/4,500 rpm

### Drive mode select

Choose between Sport mode for performance, Eco mode for optimal fuel economy, or Normal mode, the perfect balance between performance and efficiency.

Shift it your way: Accent's gasoline engines come with the Intelligent Variable Transmission (IVT) that uses real-time data to adjust the shift points.

**Intelligent variable transmission (IVT)**

A step up from traditional CVTs, IVT uses a chain-type belt to handle more torque. Adaptive shift control technology uses real-time data to adjust the transmission's shift points.
