

Sonata

Sonata, the Reborn.

With its new, innovative design and dramatically enhanced features, the Sonata has been reborn. Aggressive, eye-catching and sporty, it delivers all the sensations of a new car.

Exterior.

design redrawn.

A boldly designed radiator grille is the starting point for the Sonata's sleek, high-tech restyling. 18" alloy wheels, LED rear combination lamps and chrome moldings help complete the feeling of next-generation modernity.

Driving.

technology advanced.

Parking Assist System (PAS)
Sensors at the front and rear assist safe parking by activating an audible warning if you get too close to objects when reversing.

Cruise Control
Cruise control system can maintain the vehicle speed that you have set so that you may drive without pressing accelerator pedal.

Dynamic Bending Lights (DBL)
Respond to the turn of the steering wheel and illuminate the part of the road you're turning towards for safer driving at night.

Blind Spot Detection (BSD)
Detects approaching vehicles in the blind spot and triggers a warning light and acoustic alert when changing lanes.

6-Airbag system
Comprises dual front airbags, two side impact airbags at the front and two curtain airbags running the length of the cabin.

Features.

freedom to choose.

LED Headlamps
High-efficient LED headlamps light up the road and road signs while minimizing energy consumption.

Cascading radiator grille
New signature cascading radiator grille exudes Sonata's expressive and sleek look.

Puddle lamps
Illuminate the side of the vehicle when pressing the Smart Key.

Dual mufflers
Add a touch of sporting spirits to Sonata.

4.2" color LCD supervision cluster
Displays driving information brightly and easy-to-read by using both analogue and digital read-outs.

Electric Parking Brake (EPB)
Activates the parking brake when you pull the button and disengages it when you push the button or drive off.
*The brake may not be disengaged under certain conditions.

6:4 Folding seats
Fold down in a 6:4 ratio to make stowing luggage easier.

Integrated Memory System driver seat (IMS)
Enables you to store up to two drivers' preferred seating positions.

LED DRL (Daytime Running Lights)
Stylishly designed LED Daytime Running Lights (DRL) give a high-tech and futuristic form.

LED Rear combination lamps
Ensures the rear lamps deliver a highly visible red light pattern.

Safety power window
Safety sensors on the power windows prevent pinching whenever an obstacle is detected and automatically reverses the direction of the windows.

Hands-free smart trunk (Hidden trunk open switch)
The trunk opens automatically when it senses the Smart Key close behind the vehicle. The switch to open the trunk is incorporated into the rear emblem for a sleek and seamless design.

Auto defogging system
Automatically activates air blowers to defog the glass if moisture on the inside of the windscreen is detected.

Front / Rear seat warmers
Easy and convenient way to keep everyone warm in the cold weather.

Electric backlight sunshade
Cuts out glare from the sun by deploying a sunshade on the rear window at the touch of a button.

Dual full auto air conditioning
Lets the driver and front-seat passenger set their individual climate control settings.
