GRAND i10

Small gets bigger, bolder and smarter.

The all-new Grand i10

Introducing the all-new Grand i10, the city runabout everyone is talking about. Bold urban styling commands attention but inside, even nicer surprises await starting with longer, wider and roomier cabin. There's more space to stretch out and more storage room for all your stuff. Grand i10's Kappa engine is delightfully frugal to run and it comes in 1L and 1.2L sizes so you can choose what's best for you. Either way, you will get excellent fuel economy and plenty of oomph for quick takeoffs and passing on the highway. And to top it all off, we've made Grand i10 safer plus a lot smarter by introducing advanced connectivity options so that you can always stay in touch.

Street fighter.

On any street, in any town, Grand i10's distinctive design wins the style battle every time. Grand i10 projects confident, urban sophistication so it really stands out in the crowd of lookalikes. Beyond making you look smart and fashionable, Grand i10 is all about practicality: It's roomy, economical and loaded with convenience features to provide the perfect fit for any and all lifestyles whether you're single, a young couple or a young family.

The perfect fit.

Not too big and not too small—just the perfect size. Whatever the mission—a solo hop across town or a group excursion into the countryside—Grand i10 gets it done with style and comfort. The cabin offers plenty of space to stretch out and relax. And in the back, there's lots of room for all the good stuff you need to take along for the trip. Versatile and fun to drive, Grand i10 handles it all without hesitation or complaint.

Folding rear seat

City or highway, a pure delight.

Whether it's a quick hop downtown or cruising for hours along the expressway, the new Grand i10 puts in an agile and nimble performance. And you can count on the powertrain to deliver absolutely top notch efficiency, reliability and economy. For those who enjoy sporty-style driving, the 5-speed manual combines superb economy with maximum driving engagement. If you would rather avoid the hassle of manual shifting, the optional 4-speed automatic transmission does all the hard work for you.

Kappa 1.0 MPi Gasoline	Kappa 1.2 MPi Gasoline
66 Maximum Power ps/5,500 rpm	83 Maximum Power ps/6,000 rpm
9.6 Maximum Torque kg-m/3,500 rpm	11.6 Maximum Torque kg-m/4,000 rpm

4-speed automatic transmission

For drivers who demand maximum convenience, Hyundai offers the optional 4-speed automatic: It's reliable, quiet and efficient.

5-speed manual transmission

Unsurpassed for simplicity, economy and pure driving fun, this standard gearbox delivers buttery smooth shifting and has a clutch pedal that is light and precise.

Always ready.

You just never know what kind of surprises are waiting around the next corner. But with Grand i10 you get certainty that it comes equipped with advanced safety engineering features that are designed to keep you as safe as possible and provide you with total peace of mind. Its ultra-rigid steel frame serves as the first line of defence augmented by dual airbags, ABS and layers of additional safety features.

Dual airbag system

These newest depowered-type airbags minimize the risk of injuries associated with airbag deployment.

Hillstart assist control

HAC maintains braking power after you have removed your foot from the pedal to prevent rollback and releases the brakes the moment your foot touches the accelerator pedal.

Rear Parking Assist System

Bumper sensors warn the driver of unseen rear obstacles while reversing thus ensuring safer parking and minimizing the risk of damage or injury.

Rear view camera with guidelines

Reversing is safer with the rear view camera that now includes dynamic guidelines to help align the vehicle with the parking target space.
